Dear Mr. Tucker:

Thank you for registering your company with the City of Richmond's Minority Business Development (MBD). Commercial Fabricators, Inc.'s registration has been completely processed and information regarding the company may be acquired from the City of Richmond's website by taking the following steps:

- Go to www.RichmondGov.com
- Click on Government
- Click Minority Business Development and Business Directory
- Commercial Fabricators, Inc. is listed under the "Metal Fabrication" work category.

Our mission is to facilitate, produce, and advance opportunities for minority business enterprises (MBE), emerging small businesses (ESB), and disadvantaged business enterprises (DBE) to successfully participate in the full array of contracting opportunities available in the city of Richmond. We strive to increase:

- the number of local MBE and DBE companies
- the capacity among local MBE and DBE companies
- MBE and DBE company availability in certain under-utilized business categories, such as architecture
- the number of public and private sector contracts won by MBE and DBE companies
- the number of effective strategic alliances, both in the MBE and DBE community and beyond
- MBE and DBE company access to capital
- MBE and DBE company integration of information technology

MBD is available to support your business needs through our one-on-one counseling and technical assistance. Please contact us at (804) 646-5947.

Thank you again for registering in the City of Richmond's MBD Business Directory.

Sincerely,

Minority Business Development, City of Richmond, Virginia
